#### REQUEST #1

#### 2009 Highway Reauthorization Bill REQUEST SHEET

**Project/Study/Activity Name:** Zachary Taylor Parkway

**Project/Study/Activity Recipient Name and Location:** LA Department of Transportation and Development, Baton Rouge

**Project/Study/Activity Location:** Rapides, Avoyelles, Pointe Coupee, West Feliciana, East Feliciana, St. Helena, Tangipahoa and Washington Parishes

**Project/Study/Activity Purpose (250 Character Limit):** To continue the improvements along LA 1 and 10 and MS 26, which constitute the Zachary Taylor Parkway through 8 Louisiana parishes and 1 Mississippi county for the purpose of economic development

#### Expanded Explanation and Justification (unlimited)

1. Is the project currently included in the State Transportation Improvement Plan? No
2. What is the estimated cost of the overall project (or segment if you are requesting funding for a multi-phase project)? \$1 Billion
3. What is the amount being requested (this should be no more than 80% of the project costs)? \$10 Million
4. What is the current status of the project (check one)? A
  - a. In Conceptual Development
  - b. In Planning
  - c. In Environmental Review
  - d. In Final Design
  - e. In Right-of-Way Acquisition
  - f. Under Construction
5. Which of the following will be improved by this project (check all that apply)? All
  - a. Safety
  - b. Congestion and its Environmental Impacts
  - c. Movement of People
  - d. Movement of Goods

**Past Funding History (if any):** The Zachary Taylor Parkway has been the recipient of federal funding in every federal highway act beginning in 1991.

**Funding Request:** \$10 Million

**Bill/Report Language Request:** Funds to be used in connection with planning, design and construction along the Zachary Taylor Parkway.

REQUEST #2  
2009 Highway Reauthorization Bill  
REQUEST SHEET

**Project/Study/Activity Name:** Zachary Taylor Parkway

**Project/Study/Activity Recipient Name and Location:** LA Department of Transportation and Development, Baton Rouge

**Project/Study/Activity Location:** John James Audubon Bridge connecting Pointe Coupee and West Feliciana Parishes

**Project/Study/Activity Purpose (250 Character Limit):** Addition of 2 lanes to the existing 2 lane approaches (approximately 12 miles in length) to the John James Audubon Bridge\_(currently under construction and nearing completion through a project funded 100% by state dollars)

**Expanded Explanation and Justification (unlimited)**

1. **Is the project currently included in the State Transportation Improvement Plan?** No
2. **What is the estimated cost of the overall project (or segment if you are requesting funding for a multi-phase project)?** \$20 Million
3. **What is the amount being requested (this should be no more than 80% of the project costs)?** \$16 Million
4. **What is the current status of the project (check one)?** E
  - a. In Conceptual Development
  - b. In Planning
  - c. In Environmental Review
  - d. In Final Design
  - e. In Right-of-Way Acquisition (right of ways acquired)
  - f. Under Construction
5. **Which will be improved by this project (check all that apply)?** All
  - a. Safety
  - b. Congestion and its Environmental Impacts
  - c. Movement of People
  - d. Movement of Goods

**Past Funding History (if any):** The Zachary Taylor Parkway has been the recipient of federal funding in every federal highway act beginning in 1991, however, this particular project which is a part of the Zachary Taylor Parkway has not received federal funding before, because sufficient state funding was provided for the construction of the bridge and two lanes of the approaches.

**Funding Request:** \$16 Million

**Bill/Report Language Request:** Funds to be used in connection with planning, design and construction along the Zachary Taylor Parkway.
