

# Guatemala Mission Team News

Mission Trip planned for Thanksgiving Holiday Week, November 22-28, 2008.

Share the Love of God with the children and families in San Andres, Guatemala. This area was devastated by Hurricane Stan in October, 2005. The people of this area are still struggling to recover.

We will hold soccer, music camps, and family worship services. The camps will culminate with a soccer camp tournament, with the music camp providing the half-time entertainment.

This powerful opportunity is open to CLA students Grade 9-12 (2008-2009), teachers, coaches, and interested parents.

The estimated cost will be \$1,200, which includes airfare, housing, food, and in-country transportation. *(There will be many fund raising opportunities throughout the summer and fall)*

All students/teachers interested in going on the November Guatemala Mission Trip and participating in the Soccer Camp or Music Camp, please complete the Mission Application and return to Deidre Dudley, in the elementary office. A Guatemala Mission Team reception will be announced soon.
